

A circular diagram representing a label template. It features a thick green outer ring and a thin blue inner ring. The space between these rings is white. A vertical double-headed arrow in the center indicates a diameter of 100 mm. A dashed blue circle is positioned on the vertical line, slightly below the center, with an arrow pointing to it from the right. Text instructions are placed within the white area.

Please also fill the green sections with your design. The white part becomes the final label.
